

MINI CANES RECREATIONAL SPORTS CAMP

Parents, please read these notes that will answer many of the questions you may be having regarding camp. Most any concern can be addressed in the morning during drop-off or with a note addressed to the counselors. You can find more information at <https://minicanes.miami.edu/>

PikMyKidApp

This summer to help mitigate crowding and ensure a smooth pick-up and drop-off we will be using the Pikmykid app! The Pikmykid app allows parents/guardians to notify the school of pick up changes or authorize other family members to pick-up up their child and manage carpooling with other parents at camp. This includes authorize pick ups (delegates), announcing that you are in the area during dismissal time, and Covid symptom checker.

Masks

Masks are required when indoors at all times.

Food Policies

Center by staff or campers. Campers are also discouraged from bringing sodas and other sugar-sweetened beverages to camp. No NUTS at camp! Nuts can cause **severe and life-threatening** allergic reactions and should not be brought to camp in any form (nuts, nut butters, Nutella, etc.) under any circumstance.

Early Pick up (before 3pm)

Requests for early pickup must be made prior to noon. Early pickup notices can be made via the Pikmykid app before 12pm or an email should be sent to minicanescamp@miami.edu with the following information: pick-up time (no time ranges), full camper(s) name, date of pick-up, and camper group(s). Campers who are picked-up early will be accompanied to Centre Court by camp staff. Parents should pick-up their camper(s) at the specified time. Campers will be returned to their group after 10 minutes if they are not picked-up early as arranged. **Pick-ups between 3-4pm are NOT permitted.**

Forgotten Lunches

If a lunch has been forgotten, parents will be contacted and asked to bring the lunch to their camper before their scheduled lunch time. Parents or other individuals may not purchase lunch for campers at the Juice Bar.
